# Welcome

A very warm welcome to the 2024 Flower Show. We were delighted with the amazing support for last year's Show. One of the participants commented: "We enjoyed competing and spectating, it was lovely to see so many entries across the board! It gave us plenty of inspiration for the coming years." We had increased entries in many classes, particularly art and handicraft, highlighting the many and varied talents, skills and expertise that exist within our village and surrounds.

The focus for this year's Show is to update and refine the classes to increase wider opportunity and accessibility, for example, a new photography class for school-age children. Also to improve and update the visibility of the show by distributing the brochure throughout the village, advance notice in the Parish Magazine, and increased digital exposure on our Facebook page ([www.facebook.com/PeterstonsuperElyFlowerShow/](http://www.facebook.com/PeterstonsuperElyFlowerShow/)) and on Peterston-super-Ely Community Council's website. The Community Council presents an annual Community Service Award. This year the Award will be presented on the Show day as part the Show Award Ceremony.

We were very sad to hear of the death of Mr. Chris Brain. He was the President of the Flower Show from 2007 until his retirement in 2023. We are very grateful for his generous support and wise advice throughout his long Presidency.

A particular Thank You goes to our retiring Committee Member, Marilyn Thompson. She has served on the committee for over 20 years. We are very grateful for her dedicated commitment and continued support "behind the scenes". We would also like to thank Nigel Jones for giving his technical skills and time to print our 1000 Brochures and Anthony Jones for giving his time to photograph the Show. We would like to thank Elin Potter and her team for offering to do the front-of-house refreshments this year.

As always, we are very grateful for the continued support of our many Advertisers and Vice Presidents, whose generous financial contributions ensure the continuance of the Flower Show. Our Vice Presidents very kindly sponsor the Flower Show and we would always welcome any newcomers.

On behalf of the committee we would like to thank all the many hardworking people who contribute to the Show day, setting up/taking down, baking cakes, making teas and selling raffle tickets. Finally thank you to everyone for turning up and joining in, making it a special village 'get-together'. One that will hopefully continue for many years to come.

Please contact Belinda Miles ([belindamiles@me.com](mailto:belindamiles@me.com)) if you have any queries.

## CULINARY CLASS FOR RESIDENTS

**The Lane Cup** will be awarded to the winner of Class 48. The Class is only open to residents within a 4-mile radius of Peterston-super-Ely.

Entry Fee for each Class: 50p

First prize: £2.00

**48. 7-inch Family Fruit Cake using the recipe given below:**

### RECIPE

8oz self-raising flour	pinch of salt	$\frac{1}{2}$ teaspoon mixed spice
4oz soft brown sugar (light)	3oz margarine	10oz mixed dried fruit
2oz glacé cherries (chopped)	about $\frac{1}{4}$ pint of milk	1 large egg lightly beaten

Cooking guidelines: 1 -  $1\frac{1}{2}$  hours.      Oven: 180°C / 350°F / Gas Mark 4.

Grease a 7" round tin well and line the base with greased greaseproof paper. Sieve together the flour, salt and spice. Rub in the margarine. Add sugar, fruit and cherries, then the egg and sufficient milk so that the mixture will drop from the spoon when shaken. Turn into the prepared tin. Bake in a moderately hot oven for one hour or until the cake is golden and a skewer inserted into the centre comes out clean. Leave in the tin for 5 minutes. Turn out onto a wire rack and cool.

### A FEW CULINARY TIPS

When a recipe includes eggs, it is usually a medium-size egg weighing approx. 2oz / 56g. Using a different size egg may alter the consistency of your recipe.

Sponge Cakes: Victoria or jam/cream filled sandwiches always have a plain top, although many are sprinkled with sugar. When entering a competition, be on the safe side and leave plain. Decorated sponge means what it says - but only decorate the top! If you decorate the sides with cream, it then becomes a gâteau.

A Pickle is a combination of fruit, or vegetables, or both, preserved in spiced vinegar. Chutney is usually made up of fruit and/or vegetables cooked in acids, spices and sugars.

It is required that all culinary exhibits are covered, from both a food hygiene perspective and to safeguard against any nut allergy issues. The use of containers, beeswax covers or foil is encouraged, rather than the use of clingfilm. Always take care and make sure you read the schedule.

**HAPPY COOKING!**
