OVW documentation on the subject had been distributed by the Clerk to the Councillors before the meeting.</p> <p>The grant applicant attended the meeting for this Agenda item and explained the historical significance of the Chapel, which is celebrating its 250th anniversary in 2027, the benefits that their free-of-charge activities bring to the village community, and outlined the various documentation that has been obtained that shows the 1894 Act was never designed to prohibit Community Councils from supporting the maintenance of religious buildings if they are used by the wider community. The applicant left the meeting at 8.30pm.</p> <p>A discussion took place and the grant was unanimously approved by those present. It was agreed that PSECC would pledge £1500 for the painting of the exterior of the Chapel.
